

The Healthy Child Programme in North Yorkshire

Public consultation on the proposed changes to
health visiting, school nursing and related services

26 October 2020 to 4 January 2021

Public consultation on proposed changes to the Healthy Child Programme 0-19 service (health visiting, school nursing and related services)

North Yorkshire County Council, in partnership with Harrogate and District NHS Foundation Trust, is proposing a new model for the Healthy Child Programme (which currently comprises Health Visiting and School Nursing Services) in the county.

We want to hear your views about these proposals and how they can be implemented.

The Healthy Child Programme, which supports children and young people aged 0-19 and their families, is one service among many. It offers both universal services for all children, young people and families and targeted help for those most in need.

Please complete and return this survey before 9am on 4 January, 2021.
